FOREWORD

This Index is reissued under the authority of DoD Instruction 1312.1 "Department of Defense Occupational Information Collection and Reporting," August 9, 1995. It applies to the Office of the Secretary of Defense (OSD) and the Military Departments (including the Coast Guard when it is or is not operating as a Military Service in the Navy by agreement with the Coast Guard). The term "Military Services," as used herein, refers to the Army, the Navy, the Air Force, the Marine Corps, and the Coast Guard. DoD 1312.1-1 "Occupational Conversion Index," September 1993, is hereby canceled.

This Index reflects an occupation coding structure, designed to group similar occupations from one or more populations into a logical and consistent structure suitable for a variety of analytical purposes. Each Military Service has placed its occupations within this DoD Taxonomy.
